

## Dear Friend of the Arts,

Once again we are asking you to support the Marshall Area Fine Arts Council with your membership. Our non-profit organization continues to promote the arts in the Marshall area by providing a concert series, exhibits, a gift shop, and a book outlet. We count on your generous support to continue these varied opportunities that showcase area artists.

Below you will find a detachable form that indicates various levels for membership, including memberships that reward you with concert series tickets (a \$50 value). Although our concert series promotion won't begin until late summer, you can get your tickets free by becoming a member at the Benefactor or Donor level. Your tickets will be available at the first concert.

The concert series for 2025–26 is listed on the back of this page.

Becoming a MAFAC member should not be confused with Business Sponsorship which gives businesses the opportunity to support us. That drive takes place at a later date.

Thank you for becoming a MAFAC member!

Sincerely,  
The MAFAC Board
